

This Century - Everywhere Everything

Tom: A
Intro: E B Gb Abm

Hey prima donna, don't you wanna
Come a little closer, stay a little longer?
'Cause I hear your voice cut through the noise
And I wanna hear the words you say
Hey prima donna, don't you wanna talk to me?

E B Gb Abm
She comes, and she goes, she's everywhere I wanna be
E B Gb Abm
When she's high, when she's low, she's everything, everything
E B Gb Abm
I follow her like satellites around, around she goes
E Abm B Gb
She's everywhere, she's everything

E B Gb Abm
Hey Aphrodite, don't you see me
E B Gb Abm
Standing in your sunrise, soaking up your daylight?
'Cause I know your smile will last for a while
But I need you more and more each day
'Cause I hear your voice cut through the noise

E B Gb Abm
She comes, and she goes, she's everywhere I wanna be

E B Gb Abm
When she's high, when she's low, she's everything, everything

She's everywhere, she's everything

G D
