Tom: E

m

That day E

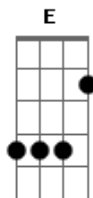

When I first met you A Dbm A  
I barely even caught your name

E  
And like a flash of lightening A Dbm  
You came and left, and I knew I'd  
Never be the same A  
E A  
No wait just don't go away Dbm  
There's more I wanna say A  
I won't last day E  
Baby I won't give up A  
Baby I won't give up Dbm A  
I'll keep searching and I'll never stop E  
Baby I won't give up A  
Won't give up for your love Dbm  
I'll keep searching E A  
And I promise that I'll never stop E  
I won't give up, give up A  
I won't give up, give up Dbm A  
I won't give up, give up E  
I'll just wait up, wait up A  
I'll just wait up, wait up Dbm A  
I'll just wait up, wait up E  
I swear I always see you A  
Your face in places Dbm A  
I've been to E  
Been living in a dream and

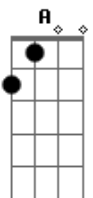

A Dbm A  
It's like we're never leaving

E A  
No wait just don't go away Dbm  
There's more I wanna say A  
I won't last day E  
Baby I won't give up A  
Baby I won't give up Dbm A  
I'll keep searching and I'll never stop E  
Baby I won't give up A  
Won't give up for your love Dbm  
I'll keep searching A  
And I promise that I'll never stop E  
I won't give up, give up A  
I won't give up, give up Dbm A  
I won't give up, give up E  
I'll just wait up, wait up A  
I'll just wait up, wait up Dbm A  
I'll just wait up, wait up E A  
No wait just don't go away Dbm  
There's more I wanna say A  
I won't last day E  
Baby I won't give up A  
Baby I won't give up Dbm A  
I'll keep searching and I'll never stop E  
Baby I won't give up A  
Won't give up for your love Dbm  
I'll keep searching A E  
And I promise that I'll never stop
