

This Wild Life - Better With You

tom:
 (Gbm E A E D A)
 (Gbm E A E D A) 2x

Gbm
 I swear I see the seasons change
 More often than I see your face

D A
 November came and went
 The Summer left without a trace

Gbm A
 And I'm left with distance on my mind

Gbm A Gbm
 Was it me that caused you to just pack up and leave?

D A
 When you did you took everything

Gbm E D
 I still hate seeing you without me

A
 I'm better with you, you're better with me

E
 I still miss all our nights

A
 Even fights were all better with you

A
 You're better with me

E A
 There is nobody else who COULD love me the way that you do

A
 Better than you

E A E A
 I still miss all our days and the way you would carry me through

E
 I'll carry you too

D A Gbm
 There is nobody else who could love you the way that I do

E A D A Gbm
 Who COULD love you the way that I do?

(E A E D A)

Gbm
 You filled my place with his embrace

A
 His touch was cold, you never came

D A
 You filled a hole that's in my soul
 I wish you felt the same

Gbm A E Gbm E D
 But is it too late for things to change?

Gbm A E D
 It was you, because leaving is just what you do

A Gbm
 When you finally got something to lose

D E D
 I just don't feel the same without you

A
 I'm better with you, you're better with me

E
 I still miss all our nights

A
 Even fights were all better with you

A
 You're better with me

E A
 There is nobody else who COULD love me the way that you do

A
 Better than you

E A
 I still miss all our days and the way you would carry me through

E
 I'll carry you too

D E A D
 There is nobody else who could love you the way that I do

(A E D A)

D E Gbm A E
 If there's a way for us to learn to forgive

Gbm A
 There's nothing that I, that I wouldn't give

E
 There's still a space that I have buried away

Gbm A
 It's deep in my heart, it's always your place

E
 I'm better with you, you're better with me

Gbm A
 I still miss all our nights

D
 Even fights were all better with you

A
 You're better with me

E A
 There is nobody else who COULD love me the way that you do
