Em7 G  
I swear I see the seasons change  
C D  
More often than I see your face  
C  
November came and went  
D  
The Summer left without a trace  
Em7 G C D C  
And I'm left with distance on my mind  
Em7 G C D C  
Was it me that caused you to just pack up and leave?  
When you did, you took everything  
C D C  
I still hate seeing you without me  
G D  
I'm better with you, you're better with me  
Em7  
I still miss all our nights  
C D G  
Even fights were all better with you  
D  
You're better with me  
Em7 C D G  
There is nobody else who can love me the way that you do  
D  
Better than you  
Em7 C D G  
I still miss all our days and the way you would carry me through  
D  
I'll carry you too  
C Em7 C Em7 G C D  
There is nobody else who could love you the way that I do  
D Em7 G C D C  
Who can love you the way that I do?  
Em7 G  
You filled my place with his embrace  
C D  
His touch was cold, you never came  
C  
You filled a hole that's in my soul  
D  
I wish you felt the same  
Em7 G C D C  
But is it too late for things to change?  
Em7 G C D C

It was you, because leaving is just what you do  
D Em7 G  
When you finally got something to lose  
C D C  
I just don't feel the same without you
