

This Wild Life - Break Me

Tom: E

A
 We all lie just to get by
A
 It feels fine for a little while
Dbm
 I can't keep it up for long
Dbm
 Cause I'm spinning a web and I'm stuck and it's fucked
A
 But I know this will hurt
Dbm **Dbm**
 'Cause when I'm hurt, I treat you worse
Gbm **A**
 I miss your skin, I miss your touch
Dbm
 I never thought it'd hurt this much
B
 I hate this feeling in my gut
Gbm **A**
 I wish you would quit me, I wish you would just leave
Dbm
 'Cause I can never walk away
B **A**
 And so it's up to you to break me
 (**A A Dbm Dbm**)

A
 And I'll try to say goodbye
A
 I'll be fast to save you time
Dbm
 I can't help but stay the night
Dbm
 You're alarmed and you're hurt and I just make it worse
A
 When I run through your veins
Dbm **Dbm**
 'Cause when I'm hurt, I treat you worse
Gbm **A**

I miss your skin, I miss your touch
Dbm
 I never thought it'd hurt this much
B
 I hate this feeling in my gut
Gbm **A**
 I wish you would quit me, I wish you would just leave
Dbm
 'Cause I can never walk away
B **A**
 And so it's up to you to break me
A
A
 You can have my body, just not my soul
 Can't give what's not mine anymore
A **B** **Dbm**
 Have my body, just not my soul
A
 You can have my body, I've lost control
B **Dbm**
 Can't live on my own anymore
A
 Have my body, just not my soul
A **B** **Dbm**
 Have my body, but not my soul
A
 Have my body, but not my soul
Gbm **A**
 I miss your skin, I miss your touch
Dbm
 I never thought it'd hurt this much
B
 I hate this feeling in my gut
Gbm **A**
 I wish you would quit me, I wish you would just leave
Dbm
 'Cause I can never walk away
B **A**
 And so it's up to you to break me
