

# This Wild Life - Break Me

Tom: E

A  
We all lie just to get by  
A  
It feels fine for a little while  
Dbm  
I can't keep it up for long  
Dbm  
Cause I'm spinning a web and I'm stuck and it's fucked  
A  
But I know this will hurt  
Dbm Dbm  
'Cause when I'm hurt, I treat you worse  
Gbm A  
I miss your skin, I miss your touch  
Dbm  
I never thought it'd hurt this much  
B  
I hate this feeling in my gut  
Gbm A  
I wish you would quit me, I wish you would just leave  
Dbm  
'Cause I can never walk away  
B A  
And so it's up to you to break me  
( A A Dbm Dbm )

A  
And I'll try to say goodbye  
A  
I'll be fast to save you time  
Dbm  
I can't help but stay the night  
Dbm  
You're alarmed and you're hurt and I just make it worse  
A  
When I run through your veins  
Dbm Dbm  
'Cause when I'm hurt, I treat you worse  
Gbm A

I miss your skin, I miss your touch  
Dbm  
I never thought it'd hurt this much  
B  
I hate this feeling in my gut  
Gbm A  
I wish you would quit me, I wish you would just leave  
Dbm  
'Cause I can never walk away  
B A  
And so it's up to you to break me

A  
A  
You can have my body, just not my soul  
Can't give what's not mine anymore  
A B Dbm  
Have my body, just not my soul  
A  
You can have my body, I've lost control  
B Dbm  
Can't live on my own anymore  
A  
Have my body, just not my soul  
A B Dbm  
Have my body, but not my soul  
A  
Have my body, but not my soul

Gbm A  
I miss your skin, I miss your touch  
Dbm  
I never thought it'd hurt this much  
B  
I hate this feeling in my gut  
Gbm A  
I wish you would quit me, I wish you would just leave  
Dbm  
'Cause I can never walk away  
B A  
And so it's up to you to break me
