

This Wild Life - Break Me

Tom: E

A
We all lie just to get by
A
It feels fine for a little while
Dbm
I can't keep it up for long
Dbm
Cause I'm spinning a web and I'm stuck and it's fucked

A
But I know this will hurt
Dbm **Dbm**
'Cause when I'm hurt, I treat you worse
Gbm **A**
I miss your skin, I miss your touch
Dbm
I never thought it'd hurt this much
B
I hate this feeling in my gut
Gbm **A**
I wish you would quit me, I wish you would just leave
Dbm
'Cause I can never walk away
B **A**
And so it's up to you to break me

(A A Dbm Dbm)

A
And I'll try to say goodbye
A
I'll be fast to save you time
Dbm
I can't help but stay the night
Dbm
You're alarmed and you're hurt and I just make it worse
A
When I run through your veins
Dbm **Dbm**
'Cause when I'm hurt, I treat you worse

Gbm **A**

I miss your skin, I miss your touch
Dbm
I never thought it'd hurt this much
B
I hate this feeling in my gut
Gbm **A**
I wish you would quit me, I wish you would just leave
Dbm
'Cause I can never walk away
B **A**
And so it's up to you to break me

A
A
You can have my body, just not my soul
A
Can't give what's not mine anymore
A **B** **Dbm**
Have my body, just not my soul
A
You can have my body, I've lost control
B **Dbm**
Can't live on my own anymore
A
Have my body, just not my soul
A **B** **Dbm**
Have my body, but not my soul
A
Have my body, but not my soul

Gbm **A**
I miss your skin, I miss your touch
Dbm
I never thought it'd hurt this much
B
I hate this feeling in my gut
Gbm **A**
I wish you would quit me, I wish you would just leave
Dbm
'Cause I can never walk away
B **A**
And so it's up to you to break me
