

# This Wild Life - Break Me

Tom: E

A  
 We all lie just to get by  
 A  
 It feels fine for a little while  
 Dbm  
 I can't keep it up for long  
 Dbm  
 Cause I'm spinning a web and I'm stuck and it's fucked  
 A  
 But I know this will hurt  
 Dbm Dbm  
 'Cause when I'm hurt, I treat you worse  
 Gbm A  
 I miss your skin, I miss your touch  
 Dbm  
 I never thought it'd hurt this much  
 B  
 I hate this feeling in my gut  
 Gbm A  
 I wish you would quit me, I wish you would just leave  
 Dbm  
 'Cause I can never walk away  
 B A  
 And so it's up to you to break me  
 ( A A Dbm Dbm )

A  
 And I'll try to say goodbye  
 A  
 I'll be fast to save you time  
 Dbm  
 I can't help but stay the night  
 Dbm  
 You're alarmed and you're hurt and I just make it worse  
 A  
 When I run through your veins  
 Dbm Dbm  
 'Cause when I'm hurt, I treat you worse  
 Gbm A

I miss your skin, I miss your touch  
 Dbm  
 I never thought it'd hurt this much  
 B  
 I hate this feeling in my gut  
 Gbm A  
 I wish you would quit me, I wish you would just leave  
 Dbm  
 'Cause I can never walk away  
 B A  
 And so it's up to you to break me  
 A  
 A  
 You can have my body, just not my soul  
 Can't give what's not mine anymore  
 A B Dbm  
 Have my body, just not my soul  
 A  
 You can have my body, I've lost control  
 B Dbm  
 Can't live on my own anymore  
 A  
 Have my body, just not my soul  
 A B Dbm  
 Have my body, but not my soul  
 A  
 Have my body, but not my soul  
 Gbm A  
 I miss your skin, I miss your touch  
 Dbm  
 I never thought it'd hurt this much  
 B  
 I hate this feeling in my gut  
 Gbm A  
 I wish you would quit me, I wish you would just leave  
 Dbm  
 'Cause I can never walk away  
 B A  
 And so it's up to you to break me
