

This Wild Life - Break Me

Tom: E

A
 We all lie just to get by
 A
 It feels fine for a little while
 Dbm
 I can't keep it up for long
 Dbm
 Cause I'm spinning a web and I'm stuck and it's fucked
 A
 But I know this will hurt
 Dbm Dbm
 'Cause when I'm hurt, I treat you worse
 Gbm A
 I miss your skin, I miss your touch
 Dbm
 I never thought it'd hurt this much
 B
 I hate this feeling in my gut
 Gbm A
 I wish you would quit me, I wish you would just leave
 Dbm
 'Cause I can never walk away
 B A
 And so it's up to you to break me
 (A A Dbm Dbm)

A
 And I'll try to say goodbye
 A
 I'll be fast to save you time
 Dbm
 I can't help but stay the night
 Dbm
 You're alarmed and you're hurt and I just make it worse
 A
 When I run through your veins
 Dbm Dbm
 'Cause when I'm hurt, I treat you worse
 Gbm A

I miss your skin, I miss your touch
 Dbm
 I never thought it'd hurt this much
 B
 I hate this feeling in my gut
 Gbm A
 I wish you would quit me, I wish you would just leave
 Dbm
 'Cause I can never walk away
 B A
 And so it's up to you to break me
 A
 A
 You can have my body, just not my soul
 Can't give what's not mine anymore
 A B Dbm
 Have my body, just not my soul
 A
 You can have my body, I've lost control
 B Dbm
 Can't live on my own anymore
 A
 Have my body, just not my soul
 A B Dbm
 Have my body, but not my soul
 A
 Have my body, but not my soul
 Gbm A
 I miss your skin, I miss your touch
 Dbm
 I never thought it'd hurt this much
 B
 I hate this feeling in my gut
 Gbm A
 I wish you would quit me, I wish you would just leave
 Dbm
 'Cause I can never walk away
 B A
 And so it's up to you to break me
