

# This Wild Life - Change My Sheets

Tom: D

<sup>G</sup> Change my sheets, a brand new me <sup>Bm A</sup>  
<sup>G</sup> I'll start again, I'll keep it cleaned <sup>Bm A</sup>  
<sup>G</sup> Cause I've been circling the drain <sup>Bm</sup>  
<sup>A</sup> It seems for days, but maybe it's just me <sup>G</sup>  
<sup>A</sup> And I've been calling out your name <sup>Bm</sup>  
<sup>A</sup> But where did you go? <sup>(G Bm A)</sup>

<sup>G</sup> Bleach my stains, forget my pains <sup>Bm</sup>  
<sup>A</sup> Let's talk it all out now  
<sup>G</sup> Cut my knees begging you please <sup>Bm</sup>  
<sup>A</sup> But where did you go? <sup>(G Bm A)</sup>

<sup>Bm</sup> I guess it's true  
<sup>A</sup> That I don't know what to do  
<sup>G</sup> That I don't know what to do  
<sup>G</sup> Without you

<sup>Bm</sup> I guess it's true  
<sup>A</sup> That I don't know what to do  
<sup>G</sup> I still don't know what to do  
<sup>G</sup> Without you  
<sup>Bm</sup> Slowly I'm falling through each of your stories  
<sup>A</sup> The bottom seems near now remember you told me <sup>G</sup>  
<sup>A</sup> I'll never feel that way again, I'll never feel that pain  
 again  
<sup>Bm</sup> I'm spread thin like water on cement  
<sup>A</sup> I can't seem to get to where you went  
<sup>G</sup> Come back to me <sup>Bm</sup>  
<sup>A</sup> But where did you go? <sup>(G Bm A)</sup>

<sup>G</sup> Change my sheets, a brand new me <sup>Bm A</sup>  
<sup>G</sup> I'll start again, I'll keep it cleaned <sup>Bm</sup>  
<sup>A</sup> But where did you go?
