^G Change my sheets, a brand new me ^{Bm A}
^G I'll start again, I'll keep it cleaned ^{Bm A}
^G Cause I've been circling the drain ^{Bm}
^A It seems for days, but maybe it's just me ^G
^A And I've been calling out your name ^{Bm}
^A But where did you go? ^(G Bm A)

^G Bleach my stains, forget my pains ^{Bm}
^A Let's talk it all out now
^G Cut my knees begging you please ^{Bm}
^A But where did you go? ^(G Bm A)

^{Bm} I guess it's true
^A That I don't know what to do
^G That I don't know what to do
^G Without you

^{Bm} I guess it's true
^A That I don't know what to do
^G I still don't know what to do
^G Without you
^{Bm} Slowly I'm falling through each of your stories
^A The bottom seems near now remember you told me ^G
^A I'll never feel that way again, I'll never feel that pain
 again
^{Bm} I'm spread thin like water on cement
^A I can't seem to get to where you went
^G Come back to me ^{Bm}
^A But where did you go? ^(G Bm A)
^G Change my sheets, a brand new me ^{Bm A}
^G I'll start again, I'll keep it cleaned ^{Bm}
^A But where did you go?
