

This Wild Life - Over It

Tom: C

[Verse]

Am F7M
I've been dealing with pain
Am
With nothing to my name
F7M
It's been eleven hundred days
Am
Since we've gone our separate ways
F7M
Am I the one to blame?
Am
And do you feel the same?
F7M
Does it have to be this way?

[Chorus]

C
I've gotta get over it over it over it
F7M
And over you
C
I'm starting to feel
Starting to heal
F7M
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
F7M
So we ran away
C
I've gotta get over it over it over it
F7M
And over you

[Verse]

Am F7M
Forget everything I said
Am
And I will do my best
F7M
To get your voice out of my head
Am
You're just a shoebox under my bed
F7M
The string that's binding my heart
Am
Is slowly raveling apart
F7M
You took me for granted
I caught you red handed
C
I'm over it over it over it
F7M

And over you
C
I'm starting to feel
Starting to heal
F7M
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
F7M
So we ran away
C
I've gotta get over it over it over it
F7M G
And over you
C G
I know I dragged us both through Hell
Am F7M
But I wish you'd forgive yourself
C G
I think I learned a lesson too
Am F7M
That I'm at my worst when I'm with you
Am F7M
That I'm at my worst when I'm with you

[Chorus]

C
I've gotta get over it over it over it
F7M
And over you
C
I'm starting to feel
Starting to heal
F7M
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
F7M
So we ran away
C
I've gotta get over it over it over it
F7M
And over you
Dm
I'm starting to feel
Em
Starting to heal
F7M
And you should too
Am
We were kids made mistakes
Couldn't stay in one place
G
So we ran away
C
I've gotta get over it over it over it
F7M
And over you
