This Wild Life - Pull Me Out

Tom: G

```
   Em
Your pinky made a promise that you couldn't keep
C
You said you'd never leave, You said you'd never leave
D
I was up with you the nights you couldn't sleep
Em
You said you'd never leave, you said you needed me
C
Chasing something that you know I'd never be
D
You said you'd never leave
Em
I'm tired of watching you go

G                   C        D                          Em
G
Your love is like a riptide, you pull me out into the cold
G                   C        D                            Em
G
Your love is like a riptide, I think I'm finally letting go
G                      D                        Em
G
You're pulling me out, You're pulling me down, You pull me til
I drown
G                   C       D                              Em
Your love is like a riptide, I think I'm finally letting go

( G C D Em G )

Em                          C               D
I try to drown you out and bury you down deep
Em                            C                              D
But you're still here with me, don't think you'll ever leave
Em                          C                   D
I'm sick of living in your bed but not your head
Em                  C
You said you'd never leave
D                          Em
I'm kind of wishing you'd go

G                   C        D                          Em
G
Your love is like a riptide, you pull me out into the cold
G                   C        D                            Em
G
Your love is like a riptide, I think I'm finally letting go
G                      D                        Em
G
You're pulling me out, You're pulling me down, You pull me til
I drown
G                   C       D                              Em
Your love is like a riptide, I think I'm finally letting go

C                              D                          Em
G
Your love is like a riptide, you pull me out into the cold
C                              D                          Em
G
Your love is like a riptide, I think I'm finally letting go

G                   C        D                          Em
G
Your love is like a riptide, you pull me out into the cold
G                   C        D                            Em
G
Your love is like a riptide, I think I'm finally letting go
G                      D                        Em
G
You're pulling me out, You're pulling me down, You pull me til
I drown
G                   C       D                              C
Your love is like a riptide, I think I'm finally letting go
