Thomas Howard - Silent Hill

```
                              tom:
                  A
Intro: C  Cadd9   Fadd9   Em7  F  Cadd9   Am  Dm

Oooooohhhhhh, Oooooohhhhhh

C                Cadd9
Lights on the avenue
            Am       C  Cadd9
All seem so far away
       F                          Dm
I'm up here drinking a toast to you
          G          G7
On such a special day

  C            Em7          Am        Em7
Tonight is the night for I love you's
              F          Em7
Wish we could have this feeling
Dm             G
Throughout the year
             C    G
Christmas is here
             F

Christmas is here

C  Cadd9   Fadd9   G7
Oooooohhhhhh

  C            Em7          Am        Em7
Tonight is the night for I love you's
            F       Em7
And if you hold me near you
Dm              G
You'll feel my heart ...Beating for (two)

  C            Em7          Am        Em7
Tonight is the night for I love you's
                F
Up above the snow is falling down
     G
And stars disappear
Dm
My heart is calling
                G  C
Christmas is here
```
