

Three Days Grace - The High Road

tom:

E

I told you I was hurt

Bleeding on the inside

I told you I was lost

In the middle of my life

There's times I stayed alive for you

There's times I would have died for you

There's times it didn't matter at all

[Refrão]

Will you help find the right way up

Or let me take the wrong way down

Will you straighten me out or make me take the long way around

I took the low road in

I'll take the high road out

I'll do whatever it takes to be the mistake you can't live without

Standing in the dark

I can see your shadow

You're the only light

That's breaking through the window

There's times I stayed alive for you

There's times I would have died for you

There's times it didn't matter at all

[Refrão]

Will you help find the right way up

Or let me take the wrong way down

Will you straighten me out or make me take the long way around

I took the low road in

I'll take the high road out

I'll do whatever it takes to be the mistake you can't live without

Well I'm not gonna give it away

Not gonna let it go just to wake up someday

Gooooone, goooone

The worst part is looking back and knowing that

I was wrong

(Dbm A E Abm)

[Refrão]

Will you help find the right way up

Or let me take the wrong way down

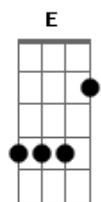

Will you straighten me out or make me take the long way around

I took the low road in

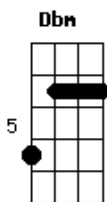

I'll take the high road out

I'll do whatever it takes to be the mistake you can't live without
