

Thrice - Black Honey

Tom: G
Intro: Am F Am F

I keep swingin' my hand through a swarm of bees 'cause I
I want honey on my table
I keep swingin' my hand through a swarm of bees 'cause I
I want honey on my table

But I never get it right
No, I never get it right

I keep swingin' my hand through a swarm of bees
I can't understand why they're stingin' me
But I'll do what I want
I'll do what I please
I'll do it again 'til I've got what I need
I'll rip and smash through the hornet's nest
Do you understand I deserve the best?
'Til you do what I want
I'll do what I please
I'll do it again 'til I've got what I need
(Am F Am F)

I try to stick this pin through a butterfly 'cause I
I like all the pretty colors
It just fell apart, so I flung it in the fire
To burn with all the others
'Cause I never get it right

No, I never get it right

I keep swingin' my hand through a swarm of bees
I can't understand why they're stingin' me
But I'll do what I want
I'll do what I please
I'll do it again 'til I've got what I need
I'll rip and smash through the hornet's nest
Do you understand I deserve the best?
'Til you do what I want
I'll do what I please
I'll do it again 'til I've got what I need

This time, I'll get it right
This time, I'll get it right
It's gonna be this time I'll get it right
God, let it be this time I get it right

So I'm cuttin' that branch off the cherry tree
Singin' this will be my victory then I
See them comin' after me

And they're followin me across the sea
And now they're stingin my friends and my family and I
Don't know why this is happening
But I'll do what I want
I'll do what I please
I'll do it again 'til I've got what I need
I keep swingin' my hand through a swarm of bees 'cause I
I want honey on my table
