

# Thrice - The Long Defeat

Tom: G  
Intro:

<sup>D</sup>  
The tyranny of deterioration  
Worries me that it's all just a waste of time <sup>Gbm</sup>  
Taking one step forward, two steps back <sup>A E</sup>  
Still I believe there's a breath through the thorns <sup>D</sup>  
And I believe there's somewhere that's warm <sup>D</sup>  
And I believe that it's ever bright beyond this black <sup>Gbm A E</sup>  
  
<sup>Gbm Bm</sup>  
So keep holding on to hope without assurance  
Holding on to a memory of light <sup>Gbm Bm Gbm</sup>  
But will the morning come? For all I know <sup>A Bm</sup>  
We'll never see the sun, but together we'll fight the long defeat <sup>A Bm Gbm</sup>  
  
<sup>D</sup>  
Suffering that I see all around  
It's enough to keep me crashing down <sup>D</sup>  
<sup>Gbm A E</sup>

Till I, I lay wrecked and reeling from these falls  
Still I believe there's a word in the wire <sup>D</sup>  
And I believe there's a way through the fire <sup>D</sup>  
And I, believe, there's a joy that blooms beyond these walls <sup>Gbm A E</sup>  
  
<sup>Gbm Bm</sup>  
So keep holding on to hope without assurance  
Holding on to a memory of light <sup>Gbm Bm Gbm</sup>  
But will the morning come? For all I know <sup>A Bm</sup>  
We'll never see the sun, but together we'll fight the long defeat <sup>A Bm Gbm</sup>  
  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>  
Together we'll fight the long defeat <sup>Gbm Dbm Bm</sup>
