

# Thriving Ivory - Alien

Tom: **Db**

**Db**  
No need to be here  
**Gb**  
no card to clock in  
**Bbm**  
and I can swear somebody's watchin'  
**Gb**  
where i go and where i've been.  
**Db**  
Brother i can see mozes  
**Gb**  
and all the things he did for you  
**Bbm**  
Oh brother i've been hearing voices  
**Gb**  
that i'm prob'ly not supposed to.  
**Db**  
How will i walk steady  
**Gb**  
if the ground should come alive  
**Bbm**  
And tell me how will i be ready  
**Gb**  
for the world's another time  
  
**Db**  
Oh alien  
**Fm**  
You'll be just fine,  
**Bbm**  
You've always been beautiful  
**Gb**  
to me...  
**Db**  
Oh alien  
**Ab**  
Pay us no mind,  
**Bbm** **Ab**  
We haven't the light to hold  
**Gb**  
to see...  
  
**Db**  
Am i another slave now  
**Gb**  
To the screamin' in my head  
**Bbm**  
Or is it a little strange now,  
**Gb**  
how the moment's gone and fled  
**Db**  
Oh brother I gotta tell ya,  
**Gb**  
that something here is wrong,  
**Bbm**  
Oh brother i gotta tell ya  
**Gb**

This place ain't what i thought

**Db**  
Oh alien  
**Fm**  
You'll be just fine,  
**Bbm**  
You've always been beautiful  
**Gb**  
to me...  
**Db**  
Oh alien  
**Ab**  
Pay us no mind,  
**Bbm** **Ab**  
We haven't the light to hold  
**Gb**  
to see...  
**Db** **Ab** **Bbm**  
I know i ain't gonna live forever  
(I know i ain't gonna live forever)  
**Gb**  
And i know you feel the same  
(and i know you feel the same)  
**Ebm**  
You'll see it when your older  
(you'll see it when your older)  
**Db** **Ab**  
No love is not a ga-ame anymore  
**Bbm** **Gb** **Db** **Ab**
