

# Thriving Ivory - Alien

Tom: Db

No need to be here  
 no card to clock in  
 and I can swear somebody's watchin'  
 where i go and where i've been.  
 Brother i can see moses  
 and all the things he did for you  
 Oh brother i've been hearing voices  
 that i'm prob'ly not supposed to.  
 How will i walk steady  
 if the ground should come alive  
 And tell me how will i be ready  
 for the world's another time  
  
 Oh alien  
 You'll be just fine,  
 You've always been beautiful  
 to me...  
 Oh alien  
 Pay us no mind,  
 We haven't the light to hold  
 to see...  
  
 Am i another slave now  
 To the screamin' in my head  
 Or is it a little strange now,  
 how the moment's gone and fled  
 Oh brother I gotta tell ya,  
 that something here is wrong,  
 Oh brother i gotta tell ya

This place ain't what i thought

Oh alien  
 You'll be just fine,  
 You've always been beautiful  
 to me...  
 Oh alien  
 Pay us no mind,  
 We haven't the light to hold  
 to see...  
 I know i ain't gonna live forever  
 (I know i ain't gonna live forever)  
 And i know you feel the same  
 (and i know you feel the same)  
 You'll see it when your older  
 (you'll see it when your older)  
 No love is not a ga-ame anymore  
 so thank god we're together.  
  
 Oh alien  
 You'll be just fine...fine...  
 yea-ah!  
  
 Oh alien  
 You'll be just fine,  
 You've always been beautiful  
 to me...  
 Oh alien  
 Pay us no mind,  
 We haven't the light to hold  
 to see...  
  
 Oh alien  
 Oh... yeah..
