

# Thyago Souza - Games

tom:

Intro: Dm Fm Cm Gm

You play with my heart  
 You play with my head  
 Now look around all the mess you do  
 I hate myself for being a fool

Am Gm

I gave you my all, but now I'm done with you

Fm Cm Am Gm

So I don't play these games, don't play these games  
 Don't play these games anymore

Fm Cm Gm Am

I gave you my heart and you let burn

You don't know how much it hurt

You said you loved me but you didn't show

If you really sorry, just let go

Don't come to me with your fake love

Cause now I care for my sanity
