tom:

Intro: Gbm B E A E A B

O Espírito Santo esta descendo agora

Derramando tanta paz

Em nossos corações

O Espírito Santo sempre nos acalma

Nos momentos que passamos

Pelas provações

O espírito santo é tão maravilhoso

Que renova a sua vida

Basta você crêr

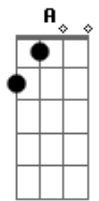

Seu poder é tão divino e precioso

Que sentimos sua presença

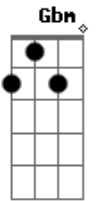

Mesmo sem te ver

Guarda-me o pai

Com a unção do teu espirito

Sua palavra diz que eu sou mais que vencedor

Guarda-me o pai

Como a menina dos teus olhos

Seja o meu escudo

Minha proteção, meu salvador

Guarda-me o pai

Com a unção do teu espirito

Sua palavra diz que eu sou mais que vencedor

Guarda-me o pai

Como a menina dos teus o__lhos

Seja o meu escudo

Minha proteção, meu salvador
