

Tia Kofi - The First Time - Heartstopper Mix

tom:

B

Intro: B E

B Gb

Broken in half, I can't make me whole

E I need to find myself and take back my control

B Gb Something feels wrong, something's gone

E I'm a melody, no harmony without a song

Abm B E I, I don't wanna hide, made myself afraid to be alone

Abm B Oh with you, you there by my side

E I know I can find my way back home

(Find my way home)

B Gb

Feels like I'm falling in love

E For the first time, for the first time baby

B Gb Finally feel I belong

E For the first time, for the first time baby

B Gb For the first time

E For the first time, first time

B Lets take it slow, I wanna feel the rush

E

Too fast to say it's love but it's not just a crush

B Gb Something feels right, wanna feel the high

E Even though we're scared I know we're gonna be alright

Abm B E I, I don't wanna hide, made myself afraid to be alone

Abm B Oh with you, you there by my side

E I know I can find my way back home

(Find my way home)

B Gb Feels like I'm falling in love

E For the first time, for the first time baby

B Gb Finally feel I belong

E For the first time, for the first time baby

B Gb For the first time

E For the first time, baby

B Gb For the first time

E For the first time, baby

(B E)

(Find my way home)
