

# Tiago Carvalho - Perfect Harmony

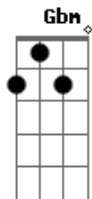

tom:  
A  
I'm on the road, I cannot sleep  
Bm  
As soon as I left I then realize  
E  
Your fragrance was still with me  
A Gbm  
I used to have your company  
Bm  
But now all I stare at the mountains  
E  
In a never ending green  
Gbm A  
Daydreaming about last night  
Bm A  
Surely it was something else, I can't deny  
Gbm A  
Still rains, and outside is so cold  
Bm  
And meanwhile  
E  
All I can think of are my hands on your  
A Db7  
Body, in harmony  
Gbm  
Perfection I could never find  
B7

Anywhere I've been, oh, now  
A Gbm  
Excuse me, if I left too soon  
E  
I hope you don't get too scared  
E7 D A  
But I'll be back here anytime for you  
Gbm A  
Daydreaming about last night  
Bm A  
Surely it was something else, I can't deny  
Gbm A  
Still rains, and outside is so cold  
Bm  
And meanwhile  
E  
All I can think of are my hands on your  
A Db7  
Body, in harmony

Perfection I could never find
