

Tiago Carvalho - When Did I Lose You

tom:
 Capotraste na 6ª casa
 Ebm (forma dos acordes no tom de Am)

You are the darkest place
 I'll shine a light on the loneliest face
 I've never knew
 Where did I fall? When did I lose you?
 Do me a favor and tell me when
 I lost my way to your heart
 Seems like I'm alive after all
 I stood by your side
 Even when things got so cruel

Am F
 Then it all happened, I didn't mean to do
 C
 Any harm to your heart
 G Am
 Like stealing the Sun from the sky
 G Am
 I'm tired of missing you
 Am
