can't seem to keep

Our hands off each other

I'll miss the way

you give your lip a bite

Exactly where you wanna be

I'm sure we'll do just fine

G Bm
For now I'll take a left,

F Am7
you take a right

C Cm
Letting you go

G
Has never been so hard

A7
When all I want to do

is hold you tight

G Em
Maybe it's not time for love

Maybe it's not right

And tell me
when you are ready
