

Tiago Iorc - Shelford Road

Tom: F
Intro: D

D Gm
I was a child
There were trees, life was mild
We would run in the grass of our own
Backyard
Mr. Green sold his plums
Across the street, he would leave a sign
Please leave 25p in the box

F Bb
To the side, what a sight
All the kids passing by
On their cycling bikes
And to school they would ride
I would learn soon
That I would learn to

(A A)

D Gm
Every day around five
A cup of tea to warm inside

Bb Gm
It reminded us all that a friend

F Bb
Was close by anytime
Neighbors lending an eye
To ensure you were fine
Love was meant to be kind

Bb Gm
I would learn soon
That I would love too
(Bb Bb Gm Am) (2x)

F Bb
And as time passes by
Leaving all this behind
Our sweet home now revives
Still in me it resides
And it always will shine

Bb Gm
I would learn soon
That I would leave too
