tom:

Intro: **D** **E** **D** **E**  
**D** **E** **Gbm7**

**D** **E** **Gbm7**  
Tanta cor no jardim  
**D** **E** **Gbm7**  
Tanta flor pra se ver

**D** **E** **Gbm7**  
E agora o vento me diz

Que o tempo parou pra sorrir

**Bm7** **D7M** **D7M**  
E a vida que outrora manca clama agora: quer sarar

**Bm7** **D7M**  
E o pássaro que bate asas visa o alto e quer voar

**A** **E** **D7M** **D7M**

E ser a luz da manhã

**A** **E** **G**  
Pra ver que somos um sol

**A7M**  
Emanar

**D** **E** **Gbm7**  
O chão é a terra, meu Pará

**D** **E** **Gbm7**  
O cheiro da chuva a nutrir

**D** **E** **Gbm7**  
Carrega sereno e orvalho vem

**D** **E** **Gbm7**  
Repousar no ventre do mar

**Bm7** **D7M** **D7M**  
Num espanto à volta da infância, com alegria vem cantar

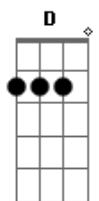

**Bm7** **D7M** **D7M**  
Amigo, toda a esperança é livre, leve e solta

**A** **E** **D7M** **D7M**  
Sentir a mão afagar

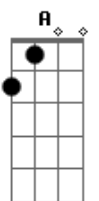

**A** **E** **G**  
Dando aconchego à essência de unir o nós

**D** **E** **Gbm7**  
Pra emanar
