

# Tiê - Stranger, But Mine

Tom: A

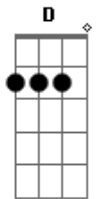

Well stranger,  
 I know nothing.  
 I better take a time at this time.  
 I know you said, but I'm sorry.  
 I want to work it out.  
 All my friends are also your friends.  
 And that makes you less a stranger.  
 And your name,  
 I've hearded it somewhere,  
 but I still want to work it out.  
 With all do respect, your kisses make me mad.  
 But don't worry,

I'll keep my eyes on you.  
 Why is this so weird,  
 I feel I've known you for years.  
 You can sleep,  
 I'll just keep my eyes on you.  
 I'm already glad that I met you.  
 I like to see life from your eyes.  
 Doesn't matter what awaits us.  
 I will deal with that surprise.  
 Even though I know you have a lot in your mind,  
 the future,  
 the pass  
 and the planes you might fly.  
 I just want to tell you, that this love is true.  
 You're a stranger, but you're mine.
