

Tiê - Stranger, But Mine

Tom: A

Well stranger,
 I know nothing.
 I better take a time at this time.
 I know you said, but I'm sorry.
 I want to work it out.
 All my friends are also your friends.
 And that makes you less a stranger.
 And your name,
 I've hearded it somewhere,
 but I still want to work it out.
 With all do respect, your kisses make me mad.
 But don't worry,

I'll keep my eyes on you.
 Why is this so weird,
 I feel I've known you for years.
 You can sleep,
 I'll just keep my eyes on you.
 I'm already glad that I met you.
 I like to see life from your eyes.
 Doesn't matter what awaits us.
 I will deal with that surprise.
 Even though I know you have a lot in your mind,
 the future,
 the pass
 and the planes you might fly.
 I just want to tell you, that this love is true.
 You're a stranger, but you're mine.
