

# Tie - Cor de Brigadeiro

Tom: F

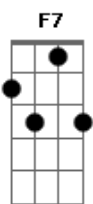

Você me deixa <sup>F7</sup> que nem louco <sup>F</sup>  
 Com o sangue <sup>Db</sup> quente  
 E a boca <sup>C7</sup> seca querendo <sup>F</sup> beijar  
<sup>F7</sup> Amo teu cheiro <sup>F</sup> seu sorriso  
 Sua cor de <sup>Db</sup> brigadeiro  
<sup>C7</sup> Meu amor primeiro  
<sup>F</sup> Minha mina  
<sup>F7</sup> A gente <sup>Bb</sup> vive bem  
<sup>C7</sup> Impressionante a <sup>F</sup> nossa intimidade  
<sup>F7</sup> Ninguém <sup>Gm7</sup> entende tanto entrosamento  
<sup>C7</sup> E o nosso <sup>F</sup> aumento de cumplicidade

<sup>F7</sup> E desse <sup>Bb</sup> jeito zen  
<sup>C7</sup> Alcançaremos a <sup>F</sup> melhor idade  
<sup>F7</sup> Sem rachaduras e <sup>Gm7</sup> ressentimento  
<sup>C7</sup> Com grandes <sup>F</sup> momentos de felicidade  
<sup>Cm</sup> A relação <sup>F7</sup> nasceu <sup>Bb</sup> primeiro  
 De uma amizade <sup>Bbm7</sup> absoluta  
 Eu reparei no <sup>F</sup> seu <sup>F</sup> cabelo  
<sup>C7</sup> E respirei na <sup>Cm</sup> nuca  
 Ficamos <sup>F7</sup> pasmo em <sup>Bb</sup> silêncio  
 E derretidos <sup>Bbm7</sup> tipo queijo  
<sup>C7</sup> Saquei seu <sup>F</sup> rosto <sup>F</sup> envergonhado  
 Te puxei e dei <sup>F</sup> um beijo
