

# Tim Armstrong - Wake Up

Tom: C  
Intro: 2x: Am F C G

Refrão:

Wake up  
You son of a bitch  
I wanna know who your with and  
Why do you roll in and out  
At like six in the morning?  
  
I say  
Wake up  
My love of mine  
Why do you spend your time  
With these guys who don't love you  
The way that I do  
  
This time things gonna be changin'  
Start a new  
Rearranging  
I got a new  
Girl i'm seein'  
Just like the last one, jus' like the first one.  
  
Live for today

Not tomorrow  
Keep movin' away from sorrow  
Ain't one to beg or borrow  
So listen to me  
  
Refrão:  
Phone call  
No mistakin'  
She starts  
Her head shakin'  
Eyes open  
Now i'm awake and  
I'm gonna take it day by day now  
  
Gettin' high  
Good times rollin'  
On the side  
Cities showin'  
Off somewhere new  
To be goin'  
So keep movin'  
  
(Refrão 2x)
