Intro:

D A
Long afloat on shipless oceans
G Bm
I did all my best to smile
D A
'Til your singing eyes and fingers
G Bm
Drew me loving to your isle
D C
And you sang, "Sail to me
G D
Sail to me, let me unfold you"
Bm A G
Here I am, here I am waiting to hold you

D A
Did I dream you dreamed about me?
G Bm
Were you here when I was fox?

D A
Now my foolish boat is leaning
G Bm
Broken, lovelorn on your rocks
D C
For you sing, "Touch me not
G D
Touch me not, come back tomorrow"
Bm A G
Oh my heart, oh my heart shies from the sorrow

D A
I'm as puzzled as the oyster
G Bm
I'm as troubled as the tide
D A
Should I stand amid the breakers?
G Bm
Or should I lie with death my bride?
D C
Hear me sing, "Swim to me
G D
Swim to me, let me enfold you"
Bm A G
Oh my heart, oh my heart is waiting to hold you
