

# Tim Maia - New Love

Tom: G

Yes, I loved  
 More than I supposed to love  
 Then I finally realized  
 that she didnt love me  
 Then I cried  
 Knowing that our love have died  
 Will I ever love again?  
 Our hurt eternally?  
 It was the end

When my life was sad and blue  
 than I found  
 My world in you.  
 Now I wonder  
 no longer on the chance  
 you're the reason  
 I'm living true romance  
 Oh Love  
 Oooh love  
 I'm so glad  
 than I found You
