

Tim Maia - New Love

Tom: G

Yes, I loved
 More than I supposed to love
 Then I finally realized
 that she didnt love me
 Then I cried
 Knowing that our love have died
 Will I ever love again?
 Our hurt eternally?
 It was the end

When my life was sad and blue
 than I found
 My world in you.
 Now I wonder
 no longer on the chance
 you're the reason
 I'm living true romance
 Oh Love
 Oooh love
 I'm so glad
 than I found You
