

# Tim McMorris - Life is Beautiful

Tom: D

**Bm**  
 Hey now, Come on  
**A**  
 Let's go,  
 The music's playin'  
**G**  
 I've got  
 To move on  
**D**  
 To go out  
 No more delayin'  
**Bm**  
 Pack my Things up  
**A**  
 Care free, Adventure's waitin'  
**G**  
 I'm headin' out  
 Headin' out to see the rest of the world **D**  
 Yeah, yeah  
**Bm**  
 So kick it up to stir it up  
 Alive will make you feel  
**A**  
 Press reset with no regret  
 Make sure to keep it real  
**G**  
 The possibilities, right in front of me  
**D**  
 Oh all the things that I can be  
 Got me feelin' free  
 Yeah  
**Bm**  
 So turn it up and shout it out  
 Cause you got something to shout about  
**A**  
 And let the world just spin around  
 As you go on and make more ground  
**G**  
 And throw your hands up, ya put em up high  
**D**  
 Walk a new path, and go on  
 And let the cares fly by  
**E**  
 And if you take some time to ask me why  
 You always see me with a smile  
 I'll tell you that  
**Bm** **D**  
 Life is grand, life is great, life is good  
**A**  
 Life is beautiful  
 Ya gotta give it all ya got  
**G**  
 Everything you got to give

**A**  
 Time to shine, time to live  
**Bm** **D**  
 Life is grand, life is great, life is good  
**A**  
 Life is beautiful  
 Now your living out your dream  
**G**  
 With your hopes up high  
**A** **Bm**  
 Your only limit is the sky  
 Hey, hey, hey, hey  
**Bm**  
 Standing in a brand new place  
 I feel the sun shine on my face  
**A**  
 The weather's good, the day is bright  
 I watched it turn from dark to light  
**G**  
 And keep the music going  
 Keep the good times rollin'  
**D**  
 And now I'll never let it stop  
 You'll only find me growin'  
 Come on  
**Bm**  
 Sing out a song and don't be shy  
 Cause you'll never know till you give it a try  
**A**  
 Colourful like a work of art  
 A brand new day, a brand new start  
**G**  
 And once you go up, you'll never come down  
**D**  
 Like your walking right on the air, with your feet far off the ground  
**E**  
 And if I take some time to ask you why  
 I always see you with a smile  
 You'll tell me that  
**Bm** **D**  
 Life is grand, life is great, life is good  
**A**  
 Life is beautiful  
 Ya gotta give it all ya got  
**G**  
 Everything you got to give  
**A**  
 Time to shine, time to live  
**Bm** **D**  
 Life is grand, life is great, life is good  
**A**  
 Life is beautiful  
 Now your living out your dream  
**G**  
 With your hopes up high  
**A** **Bm**  
 Your only limit is the sky  
 Hey, hey, hey, hey
