

Tim McMorris - Life is Beautiful

Tom: D

Bm
 Hey now, Come on
A
 Let's go,
 The music's playin'
G
 I've got
 To move on
D
 To go out
 No more delayin'
Bm
 Pack my Things up
A
 Care free, Adventure's waitin'
G
 I'm headin' out
 Headin' out to see the rest of the world **D**
 Yeah, yeah
Bm
 So kick it up to stir it up
 Alive will make you feel
A
 Press reset with no regret
 Make sure to keep it real
G
 The possibilities, right in front of me
D
 Oh all the things that I can be
 Got me feelin' free
 Yeah
Bm
 So turn it up and shout it out
 Cause you got something to shout about
A
 And let the world just spin around
 As you go on and make more ground
G
 And throw your hands up, ya put em up high
D
 Walk a new path, and go on
 And let the cares fly by
E
 And if you take some time to ask me why
 You always see me with a smile
 I'll tell you that
Bm **D**
 Life is grand, life is great, life is good
A
 Life is beautiful
 Ya gotta give it all ya got
G
 Everything you got to give

A
 Time to shine, time to live
Bm **D**
 Life is grand, life is great, life is good
A
 Life is beautiful
 Now your living out your dream
G
 With your hopes up high
A **Bm**
 Your only limit is the sky
 Hey, hey, hey, hey
Bm
 Standing in a brand new place
 I feel the sun shine on my face
A
 The weather's good, the day is bright
 I watched it turn from dark to light
G
 And keep the music going
 Keep the good times rollin'
D
 And now I'll never let it stop
 You'll only find me growin'
 Come on
Bm
 Sing out a song and don't be shy
 Cause you'll never know till you give it a try
A
 Colourful like a work of art
 A brand new day, a brand new start
G
 And once you go up, you'll never come down
D
 Like your walking right on the air, with your feet far off the ground
E
 And if I take some time to ask you why
 I always see you with a smile
 You'll tell me that
Bm **D**
 Life is grand, life is great, life is good
A
 Life is beautiful
 Ya gotta give it all ya got
G
 Everything you got to give
A
 Time to shine, time to live
Bm **D**
 Life is grand, life is great, life is good
A
 Life is beautiful
 Now your living out your dream
G
 With your hopes up high
A **Bm**
 Your only limit is the sky
 Hey, hey, hey, hey
