

# Tim McMorris - Life is Beautiful

Tom: D

**Bm**  
Hey now, Come on  
**A**  
Let's go,

The music's playin'  
**G**  
I've got

To move on  
**D**  
To go out

No more delayin'  
**Bm**  
Pack my Things up  
**A**  
Care free, Adventure's waitin'  
**G**  
I'm headin' out  
Headin' out to see the rest of the world **D**  
Yeah, yeah

**Bm**  
So kick it up to stir it up

Alive will make you feel  
**A**  
Press reset with no regret

Make sure to keep it real

**G**  
The possibilities, right in front of me  
**D**  
Oh all the things that I can be

Got me feelin' free

Yeah

**Bm**  
So turn it up and shout it out

Cause you got something to shout about  
**A**  
And let the world just spin around

As you go on and make more ground  
**G**  
And throw your hands up, ya put em up high  
**D**  
Walk a new path, and go on

And let the cares fly by  
**E**  
And if you take some time to ask me why

You always see me with a smile

I'll tell you that

**Bm** **D**  
Life is grand, life is great, life is good  
**A**  
Life is beautiful

Ya gotta give it all ya got  
**G**  
Everything you got to give

**A**  
Time to shine, time to live  
**Bm** **D**  
Life is grand, life is great, life is good  
**A**  
Life is beautiful  
**G**  
Now your living out your dream  
**G**  
With your hopes up high  
**A** **Bm**  
Your only limit is the sky

Hey, hey, hey, hey

**Bm**  
Standing in a brand new place

I feel the sun shine on my face  
**A**  
The weather's good, the day is bright

I watched it turn from dark to light  
**G**  
And keep the music going

Keep the good times rollin'  
**D**  
And now I'll never let it stop

You'll only find me growin'

Come on

**Bm**  
Sing out a song and don't be shy

Cause you'll never know till you give it a try  
**A**  
Colourful like a work of art  
A brand new day, a brand new start  
**G**  
And once you go up, you'll never come down  
**D**  
Like your walking right on the air, with your feet far off the ground  
**E**  
And if I take some time to ask you why

I always see you with a smile

You'll tell me that

**Bm** **D**  
Life is grand, life is great, life is good  
**A**  
Life is beautiful

Ya gotta give it all ya got  
**G**  
Everything you got to give  
**A**  
Time to shine, time to live  
**Bm** **D**  
Life is grand, life is great, life is good  
**A**  
Life is beautiful

Now your living out your dream  
**G**  
With your hopes up high  
**A** **Bm**  
Your only limit is the sky

Hey, hey, hey, hey
