Am F
 Nocturnal poetry:

Dm G Am
 Dressed in the whitest silver, you'd smile at me

F G
 Every night I wait for my sweet Selene

Em
 But, still

Am F
 Solitude's upon my skin

Dm G Am
 A life that's bound by the chains of reality

F G
 Would you let me be your Endymion?

Dm Em F G
 I would bathe in your moonlight and slumber in peace

Dm Em F G
 Enchanted by your kiss in forever sleep

Am C G Am
 But until we unite I live for that night

Dm Em F G
 Wait for time Two souls entwine

Am C G Am
 In the break of new dawn My hope is forlorn

Dm Em F G
 Shadows, they will fade But I'm always in the shade

Am
 Without you

Am F
 Serene and silent sky

Dm G Am
 Rays of moon are dancing with the tide

F G
 A perfect sight, a world divine

Em
 And I

Am F
 The loneliest child alive

Dm G Am
 Always waiting, searching for my rhyme

F G
 I'm still alone in the dead of night

Dm Em F G
 Silent I lie with smile on my face

Dm Em F G
 Appearance deceives and the silence betrays

Am C G Am
 As I wait for the time My dream comes alive

Dm Em F G
 Always out of sight But never out of mind

Am C G Am
 And under waning moon Still I long for you

Dm Em F G Am
 Alone against the light Solitude am I

F Em Am
 In the end, I'm enslaved by my dream

F Em Am
 In the end, there's no soul who'd bleed for me

Em
 Hidden from daylight I'm sealed in my cave

C
 Trapped in a dream that is slowly turning to a nightmare
 Where I'm all alone.

D
 Venial is life when you're but a dream

Em
 The book is still open, the pages as empty as me

Am C G Am
 But until we unite I live for that night

Dm Em F G
 Wait for time Two souls entwine

Am C G Am
 In the break of new dawn My hope is forlorn

Dm Em F G
 We will never meet Only Misery and me

Am C G Am
 This is my final call My evenfall

Dm Em F G
 Drowning into time I become the night

Am C G Am
 By the light of new day I'll fade away

Dm Em F G
 Reality cuts deep Would you bleed with me

Am
 My Selene
