Put my thoughts together as I
wrote you this letter in my room,
On a crumpled piece of paper there
were 3 words addressed to you,
It's alright, it's alright now
don't panic too soon,
Kuz my love, well, all my love
is there for you,
For you, It's all for you.
It's all for you.

Now the blood-red sky is reflecting
like last nights rain.
And i'm starting to think that there's
not enough ink on the page.
I hope, hope that you, know the truth.

Am Em D
And my time, my effort my soul it's all for you.
It's all for you.
It's all for you.

Am Em G
And I know sometimes I seem sad,
blue and grey.
