

Tina Turner - We Don't need Another Hero

tom:

1. Out of the ruins, out from the wreckage
 Can't make the same mistake this time
 We are the children, the last generation
 We are the ones they left behind
 And I wonder when we are ever gonna change
 Living under the fear, till nothing else remains

2. Looking for something we can rely on
 There's gotta be something better out there
 Love and compassion, their day is coming

All else are castles built in the air
 And I wonder when we are ever gonna change
 Living under the fear, till nothing else remains
 All the children say
 All the children say
 We don't need another hero, we don't need to know the way home
 All we want is life beyo...nd thunderdome
 So what do we do with our lives, we leave only a mark
 Will our story shine like a light, or end in the dark
 Give it all or nothing
 We don't need another hero, we don't need to know the way home
 All we want is life beyo...nd thunderdome
