

# Tina Turner - Whats Love Got To Do With It

Tom: G

You must understand though the touch of your hand  
 Makes my pulse react  
 That it's only the thrill of boy meeting girl  
 Opposites attract  
 It's physical, only logical  
 You must try to ignore that it means more than that

What's love got to do, got to do with it  
 What's love but a second hand emotion  
 What's love got to do, got to do with it  
 Who needs a heart when a heart can be broken  
 It may seem to you that I'm acting confused  
 When you're close to me  
 If a tend to look dazed I've read it someplace  
 I've got cause to be  
 There's a name for it  
 There's a phrase that fits  
 But whatever the reason you do it for me

What's love got to do, got to do with it  
 What's love but a second hand emotion  
 What's love got to do, got to do with it  
 Who needs a heart when a heart can be broken  
 ( Db Ab Gb Ab )  
 ( Db Ab Gb )

I've been taking on a new direction  
 But I have to say  
 I've been thinking about my own protection  
 It scares me to feel this way

What's love got to do, got to do with it  
 What's love but a second hand emotion  
 What's love got to do, got to do with it  
 Who needs a heart when a heart can be broken

What's love got to do, got to do with it  
 What's love but a second hand emotion  
 What's love got to do, got to do with it  
 Who needs a heart when a heart can be broken
