

Tina Turner - Whats Love Got To Do With It

Tom: G

You must understand though the touch of your hand
 Makes my pulse react
 That it's only the thrill of boy meeting girl
 Opposites attract
 It's physical, only logical
 You must try to ignore that it means more than that

What's love got to do, got to do with it
 What's love but a second hand emotion
 What's love got to do, got to do with it
 Who needs a heart when a heart can be broken
 It may seem to you that I'm acting confused
 When you're close to me
 If a tend to look dazed I've read it someplace
 I've got cause to be
 There's a name for it
 There's a phrase that fits
 But whatever the reason you do it for me

What's love got to do, got to do with it
 What's love but a second hand emotion
 What's love got to do, got to do with it
 Who needs a heart when a heart can be broken
 (Db Ab Gb Ab)
 (Db Ab Gb)

I've been taking on a new direction
 But I have to say
 I've been thinking about my own protection
 It scares me to feel this way

What's love got to do, got to do with it
 What's love but a second hand emotion
 What's love got to do, got to do with it
 Who needs a heart when a heart can be broken

What's love got to do, got to do with it
 What's love but a second hand emotion
 What's love got to do, got to do with it
 Who needs a heart when a heart can be broken
