

Tingo Santi - Despedidas

tom: C

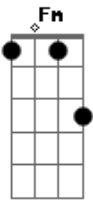

Chegou a minha hora de ir embora
 Chegou a minha hora de partir
 Espero te encontrar de novo, de alguma forma
 Deixa a saudade entrar, e o coração sentir
 Eu agradeço a nossa história
 E se o meu coração chora, é porque valeu a pena
 Você faz parte da memória
 E quando eu fecho os meus olhos, é você quem entra em cena

A vida segue em frente, como as águas do rio
 E é preciso coragem, pra deixar fluir
 Preencher as lacunas e o enorme vazio
 De um coração tão lindo, que eu deixei partido, ao me despedir
 Chegou a minha hora de ir embora
 Chegou a minha hora de partir
 Espero te encontrar de novo, de alguma forma
 Deixa a saudade entrar, e o coração sentir
 Deixa a saudade entrar, e o coração sentir
