tom:

Terra mãe de todos nós  
 Terra fértil e colorida  
 Terra de chão sem fim  
 Terra que abraça a morte  
 Terra que gera a vida  
 Terra, tens piedade de mim

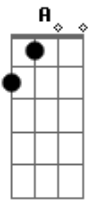

Terra que mata sede  
 Terra que mata fome  
 Terra que nos abriga  
 Terra mãe natureza  
 Terra santo bioma  
 Terra, tens piedade de mim

Ama, ama quem tá presente  
 Ama, ama seus descendentes  
 Ama, Amazônia  
 Ama, ama tua linda história  
 Ama, ama teu futuro e glória  
 Ama, Amazônia

Ama, ama tua fauna  
 Ama, ama tua flora  
 Ama, Amazônia

Ainda é tempo de viver, com respeito a vida  
 Ainda é tempo de aprender, conquistar a cura  
 Ainda é tempo de plantar amor  
 Ainda é tempo de colher sabedoria

A Terra pede proteção, pra nos proteger
