

Tingo - Quando Você Chegou

tom:

C

Quando você chegou
 E iluminou a escuridão
 Do universo em mim
 Me apaixonei perdidamente
 E quando eu me encontrei
 Já era amor sem fim

Quando você chegou
 E aqueceu meu coração
 Você mudou a minha vida

Am7 Em7
 Seu olhar me diz mais que as palavras
 E o teu abraço me traz
 A leveza do ar
 Agora eu acordo sorrindo, falando besteiras
 Toda canção de amor que eu ouço, fala de nós dois
 Um breve momento contigo, é uma vida inteira
 Só você me faz esquecer o antes, o agora, e o depois
 Quando você chegou
 E iluminou a escuridão
 Do universo em mim
