

# Tio Bruninho - Barquinho de Papel

Tom: E  
Intro: E D E D  
E D E

O meu barquinho de papel tá navegando  
No meio do oceano

E veio um vento

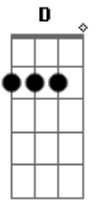

Que fez a onda  
Pra balançar

Balança pra lá, pra lá, pra lá, pra lá, pra lá  
Balança pra cá, pra cá, pra cá, pra cá, pra cá  
Balança pra frente, balança pra trás  
Meu barquinho balança balança mas não cai
