

Tipling Rock - Campus Fashion

Tom: G

Yeah this love could kill me
 But all my love could make you smile
 But you know how to thrill me
 And you know girl you're just my style

She may not have that passion
 But she's got that campus fashion
 Spotlight, and that's alright with her
 Keeps up with all the trends right
 She know's just what her friends like
 Tonight, and I just might with her

She lives like she's in Paris
 And I think that she gets my vibe
 But me I'm not so careless
 And I don't want to let her slide

She may not have that passion

But she's got that campus fashion
 Spotlight, and that's alright with her
 Keeps up with all the trends right
 She know's just what her friends like
 Tonight, and I just might with her

(B7 D G Am7 A7 Am7)
 (G Am7 A7 Am7)
 (G Am7 A7 Am7)
 (G Am7 A7 Am7)
 (C C#m9-)

You know how to thrill me
 And you know girl you're just my style

She may not have that passion
 But she's got that campus fashion
 Spotlight, and that's alright with her
 Keeps up with all the trends right
 She know's just what her friends like
 Tonight, and I just might with her
