

# Tito & Tarantula - After Dark

Tom: A

This is how the intro and the chords and the solo are really played. I've seen a lot of dumb fuckers try to figure this out but they're all wrong. Here it is.

Intro:

Solo: (played with wah and lots of reverb)

Ending Riff:

Watching her B A B  
 Strolling in the nights o white B B A  
 Wondering why E  
 It's only After Dark B A B A B A B A  
 In her eyes B A B  
 A distant fire light burns bright B A

Wondering why E  
 It's only After Dark B A B A B A B A  
 I find myself in her room E D E D  
 Feel the fever of my doom E D E D  
 Falling falling through the floor G**b** E G**b** E  
 I'm knocking on the Devils door G**b** B A B A  
 [Solo]: B A B A B A  
 Burning burning in the flame E D E D  
 Now I know her secret name E D E D  
 You can tear her temple down G**b** E G**b** E  
 But she'll be back and rule again B A B  
 In my heart A B A B A  
 A deep and dark and lonely part E  
 Wants her and waits for B C D E  
 After Dark After Dark After Dark After Dark After Daaaaark
