TNT - Intuition

Tom: C

   Okey, I really liked this song! And there were no tabs for it, so
I decided myself to tab it!

Tuning : A half step lower

Riff 1 Riff 2
(Palm mute on 6th string)

Intro: (Mute on E and A string):

Verse

Pre chorus

Chorus - repeat intro

Guitar solo (repeat 2 times)

(repeat 2 times)

```
|-------------------------------------------------------|
|------------------------8------------------------------|
|-17---16--12---6----9-------7--------8-------17--16-x-x-|
|-------------------------------------------------------|
|-------------------------------------------------------|
|-------------------------------------------------------|
```

(Guitar 2 - play this part if you want a harmony as on the album)

```
