

# To Kill a King - Cold Skin

Tom: A  
Intro: Gbm E A

Gbm E A  
Place your head on my own  
Gbm E A  
Place your head on my own  
Gbm E A  
Place your head on my own  
Gbm E A  
Place your head on my own

Gbm E A  
I stare at you waiting for these damn bombs to fall  
Gbm E A  
We're waste with love, like our parents did years before  
Gbm E A  
You look strange to me, glowing with our life's certain end  
Gbm E A  
We're silent now, save the noises on the radio

Gbm E  
They know, we know  
Dbm  
We're not kidding anyone except ourselves  
Gbm E  
Stop this world for five minutes  
Gbm  
What kind of chances do we give ourselves

Gbm E A  
Gbm E A

Gbm E A  
So strike a pose where you want your damn ashes to fall  
Gbm E A  
Like common dust, the choice our final choice  
Gbm E A  
I smile at you, why I waste such mundane words  
Gbm E A  
I'll tell you now, I've been waiting for bombs too long

Gbm E  
They know, we know  
Dbm  
We're not kidding anyone except ourselves  
Gbm E  
Stop this world for five minutes  
Gbm  
What kind of chances do we give ourselves

A Dbm  
Skin, skin and bones is all that's left  
D Gbm  
Of me and you, just two damaged fools  
A Dbm  
Dust, dust we return my friend  
D Gbm  
Me and you, just two damaged fools

Gbm E A  
Place your head on my own  
Gbm E A  
Place your head on my own

Gbm E  
They know, we know  
Dbm  
We're not kidding anyone except ourselves  
Gbm E  
Stop this world for five minutes  
Gbm  
What kind of chances do we give ourselves

Gbm E  
They know, we know  
Dbm  
We're not kidding anyone except ourselves  
Gbm E  
Stop this world for five minutes  
Gbm  
What kind of chances do we give ourselves
